

Why OPS-COM Works

There are many parking sources taking advantage of the OperationsCommander platform to manage revenues surpassing \$4 million per year. Our clientele include Colleges and Universities, private management firms, municipalities and an airport.

Increased Productivity

100% are satisfied with the overall experience of OperationsCommander Parking and Security Management Solution.

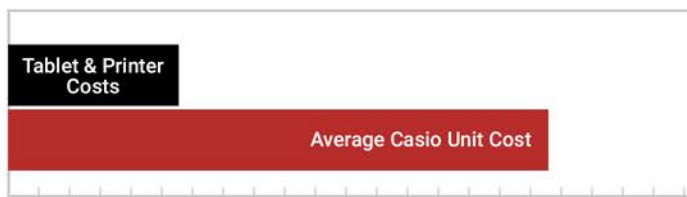

Decreased Overhead

All parking and security offices struggle to keep costs static without jeopardizing safety or customer satisfaction. OPS-COM improves employee productivity and time management which can result in massive savings for every organization.

Costs

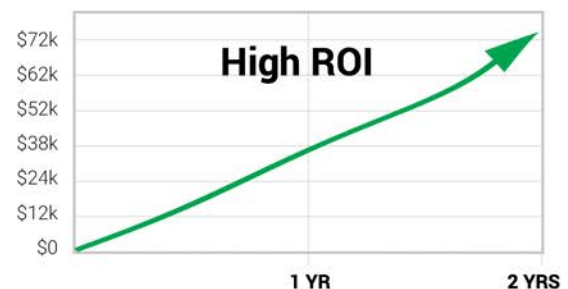

Save with Android Technology and ViolationAdmin

The business impact of adding Android with tablet technology can see a big reduction in licensing and support fees which result in more revenues collected from permits and citations when using OPS-COM complete solution for parking and violation management.

Empower Growth

71% Return on Investment

With just 100 spaces and a monthly permit price of \$30, organizations could see as much as \$72,000 in revenues over 2 years.

OperationsCommander is the obvious choice for automating your operations
