

Temporary Permit Printing

Temporary Permit Printing allows administrators to print a temporary permit for a user.

1. In **Parking Management**, hover over the **Permits** icon and click 'Temp Permit Printing'.

2. In the **Retrieve** drop-down menu, select the permits that you want. Select the **Permit Lot** that you want. Enter the Start Date and the Up to and Including date and select the **Retrieve** button. The results will appear below the search criteria.

3. Select the checkbox for the permits you wish to print and press "print selected hang tags" button. Below is a sample Temp Permit.

This permit is valid only for dates as purchased and printed on the face of this permit only. This permit is valid in specified parking areas only and is not transferable to any other vehicle or user. Vehicles found displaying fraudulent permits will be ticketed and/or towed.

Permit must be displayed and visible from the front windshield of the parked vehicle while parked on campus.

It is the responsibility of the permit holder to display in accordance with this permit any supporting documentation required to substantiate the validity of said permit.
