

Text2ParkMe - Active Permits

Text2ParkMe - Active Permits is a report that allows administrators to view details about the users who are currently parked using Text2ParkMe

1. In **Parking Management**, hover over the **Permit Management** icon and select **Text2ParkMe - Active Permits**.

2. This will take you to the **Text2ParkMe - Active Permits** page that automatically displays all Text2ParkMe permits that are currently active and not yet expired.

3. You can filter this listing by entering the data that you want to filter by in the search criteria above. This report can be filtered by **User, Plate, or Lot Name**.

Select the **Filter Report** button to bring up the new report using the filters entered.

- The **Username link** will take you to the user's profile.
